RENOGY

Superior Energy Solutions

12V & Off-Grid Power Supply

Renogy started in 2010 as a small project by students at Louisiana State University, with an aim to provide all the components necessary for users to build off-grid solar power systems at affordable prices. Renogy are continuously investing in their R&D process to provide industry leading products and innovations.

Selectlok is now a retail partner and stockist of Renogy off-grid energy solutions. At Selectlok, we have access to the entire range of Renogy products, if you are looking for a specific component, or seeking advice for a part needed in your project, that is not advertised on our website please get in touch with us here and we will be able to help you out with supplying what you require.

Renogy work closely with all industries that require independent, mobile or off-grid power solutions including:

Caravan/RV | Marine | Mobile | Emergency Services | 12V/Off-Grid Solar | Telecommunications | Power Utilities | Mining | Oil & Gas | Local Government | Defence

PLEASE NOTE: Renogy products are NOT available for Click & Collect or In-Store Pickup.
