

6-1330DST DST Revolving Pull Handle

DST

Advantages

- Revolving Pull Handle with DIRAK-SNAP-Technology
- This handle is suitable for the computer industry, 19" technology, enclosures, equipments and other applications.
- Designed for vertical or horizontal uses.
- The corrugation shows opening tab location.
- A soft push on the tab rotates the handle into the final, open position.
- A soft push rotates the handle into the closed position, resulting in a fully flush surface.

Materials

- **Handle and dish:** PA, black
- **Pin:** steel, zinc plated
- **Snap wedges:** sintered steel

Remarks

- Tool-less installation
1. Mounting position (fluting at the bottom) and closed
 2. Open
 3. Handle swiveled out
